Welcome to the Bangladesh China Garments & Textile Expo (BCGTX) 2025

Join us at the premier event of the year, where the vibrant textile and garment industries of Bangladesh and China converge. The Bangladesh China Garments & Textile Expo 2025 is a unique platform that brings together key players from both nations to explore the latest innovations, technologies, and opportunities in the textile sector. This three-day event is packed with insightful exhibitions, networking opportunities, and cutting-edge showcases.

Man Made Textile

Discover the future of textiles with our comprehensive display of man-made fibers. From polyester to nylon, explore innovative solutions that offer superior performance, sustainability, and versatility. Learn how these materials are revolutionizing fashion, sportswear, and industrial applications.

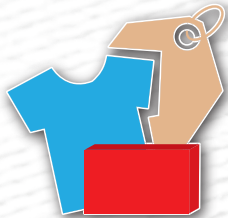

- Polyester
- Nylon
- Rayon
- Acrylic
- Innovative blends

ACCESSORIES

Accessories are the finishing touches that make garments complete. This segment showcases a wide array of garment accessories, including buttons, zippers, labels, laces, and more. Meet suppliers offering the latest designs and materials to enhance the aesthetic and functionality of your products.

- Buttons & Zippers
- Labels & Tags
- Laces & Ribbons
- Trims & Embellishments
- Buckles & Fasteners

PRINTING & PACKAGING

PRINTING & PACKAGING

Explore the cutting-edge techniques in textile printing and sustainable packaging solutions. This segment covers digital printing technologies, eco-friendly inks, and innovative packaging designs that help reduce environmental impact while maintaining high standards of quality and appeal.

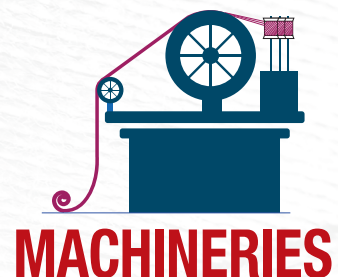

- Digital & Screen Printing
- Eco-friendly Inks
- Smart Packaging Solutions
- Custom Design Services
- Label Printing

MACHINERIES

Witness the latest in textile machinery and automation. This segment includes demonstrations of state-of-the-art equipment for spinning, weaving, knitting, sewing, and finishing. Learn how advanced machinery can increase efficiency, reduce costs, and improve product quality.

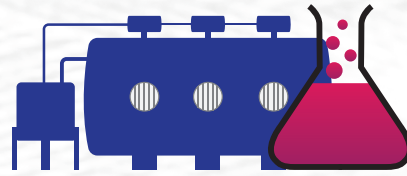

- Spinning Machines
- Weaving Machines
- Knitting Machines
- Sewing Machines
- Finishing Equipment

DYEING & CHEMICAL

Stay ahead in the industry with the latest advancements in dyeing and chemical treatments. This section highlights sustainable dyeing processes, eco-friendly chemicals, and innovative treatments that ensure vibrant colors, durability, and minimal environmental impact.

- Sustainable Dyeing Techniques
- Eco-friendly Chemicals
- Color Fastness Solutions
- Textile Finishes
- Water & Energy Saving Technologies

DYEING & CHEMICAL

YARN & FABRIC

YARN & FABRIC

Explore a diverse range of yarns and fabrics that cater to every need. From natural fibers to high-tech synthetic blends, this segment provides insights into the latest trends, innovations, and applications in the textile industry.

- Natural Fibers (Cotton, Wool, Silk)
- Synthetic Fibers (Polyester, Nylon)
- Blended Fabrics
- Technical Textiles
- Specialty Fabrics

GREEN INNOVATION & TECHNOLOGY

Sustainability is the future of textiles. Discover the green innovations that are transforming the industry. This segment focuses on sustainable practices, eco-friendly materials, renewable energy solutions, and technologies that reduce waste and carbon footprint.

- Eco-friendly Materials
- Renewable Energy Solutions
- Waste Reduction Technologies
- Recycling Processes
- Sustainable Manufacturing Practices

GREEN INNOVATION & TECHNOLOGY

Why Attend?

Networking Opportunities

Connect with industry leaders, suppliers, and buyers from Bangladesh and China.

Latest Innovations

Discover the newest technologies and trends shaping the future of textiles and garments.

Knowledge Sharing

Attend seminars and workshops led by industry experts.

Business Growth

Find new partners and opportunities to expand your business.

Event Highlights

Keynote Speeches

Hear from industry pioneers and thought leaders.

Live Demonstrations

Experience the latest technologies in action.

Workshops & Seminars

Gain insights from technical sessions and panel discussions.

Networking Events

Build lasting connections during our exclusive networking sessions.

Action Plan

Event Name	Bangladesh China Garments & Textile Expo (BCGTX) 2025
Concurrent Event	Man Made Textile, Accessories, Printing & Packaging, Dyeing & Chemical, Machineries, Yarn & Fabric, Green Innovation & Technology.
Date	May 15 - 17, 2025
Location	Dhaka, Bangladesh
Venue	International Convention City Bashundhara (ICCB)
Opening Hours	10:00 am to 7:00 pm
Frequency	Annual
Open to	Trade / Business & Public Visitors
Organizer	Savor International Limited
In Association with	Chinese Enterprises Association in Bangladesh (CEAB)
Cooperated by	Postmaster Communication
Expected number of Booths	150
Trade Value (Expected)	
Official Website	www.savor-bcgtx.com

Exhibitors' Profile

- Leading manufacturers from China and Bangladesh
- Companies specializing in advanced textile technologies
- Innovators in sustainable synthetic fibers
- Top accessory suppliers
- Customization experts
- Quality control companies
- Printing technology firms
- Packaging solution providers
- Eco-friendly material suppliers
- Chemical manufacturers
- Dyeing technology providers
- Sustainability advocates
- Machinery manufacturers
- Automation technology companies
- Maintenance and service providers
- Yarn and fabric producers
- Textile mills
- Sustainable fabric developers
- Green technology companies
- Eco-friendly material suppliers
- Sustainable fashion pioneers
- and more

Visitors' Profile

- Textile and garment manufacturers
- Fashion designers
- Purchasing managers
- Apparel designers
- Product developers
- Retail buyers
- Print and packaging specialists
- Marketing professionals
- Brand managers
- Textile engineers
- Environmental compliance officers
- Quality assurance teams
- Production managers
- Industrial engineers
- Operations executives
- Fabric buyers
- Fashion designers
- Textile artisans
- Environmental advocates
- CSR managers
- Industry innovators
- and more
