BCGTX

Bangladesh China Global Textile Expo

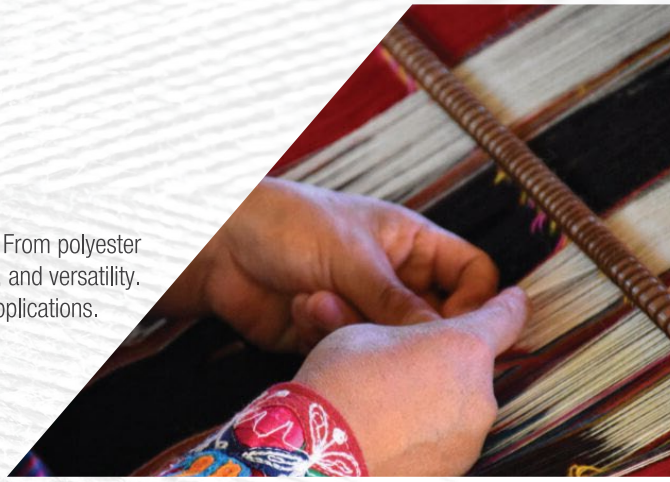
Welcome to the Bangladesh China Global Textile Expo (BCGTX) 2027

Join us at The Premier China–Bangladesh Global Textile Exhibition in Bangladesh, where the dynamic textile and apparel industries of Bangladesh, China, and the global market come together. Bangladesh China Global Textile Expo (BCGTX) 2027 is a premier international platform that brings together leading manufacturers, suppliers, buyers, sourcing professionals, and industry experts to explore the latest innovations, technologies, and business opportunities across the textile value chain. This three-day international exhibition is packed with world-class exhibits, business networking, B2B matchmaking, and knowledge-sharing sessions, creating unmatched opportunities for collaboration, investment, and sustainable industry growth.

Man Made TEXTILE



MAN MADE TEXTILE

Discover the future of textiles with our comprehensive display of man-made fibers. From polyester to nylon, explore innovative solutions that offer superior performance, sustainability, and versatility. Learn how these materials are revolutionizing fashion, sportswear, and industrial applications.

- Polyester
- Nylon
- Rayon
- Acrylic
- Innovative blends

YARN & FABRIC

YARN & FABRIC

Explore a diverse range of yarns and fabrics that cater to every need. From natural fibers to high-tech synthetic blends, this segment provides insights into the latest trends, innovations, and applications in the textile industry.

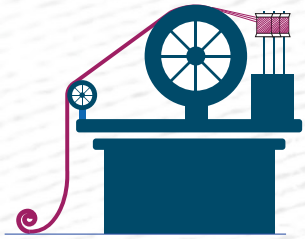
- Natural Fibers (Cotton, Wool, Silk)
- Synthetic Fibers (Polyester, Nylon)
- Blended Fabrics
- Technical Textiles
- Specialty Fabrics

GREEN INNOVATION & TECHNOLOGY

Sustainability is the future of textiles. Discover the green innovations that are transforming the industry. This segment focuses on sustainable practices, eco-friendly materials, renewable energy solutions, and technologies that reduce waste and carbon footprint.

- Eco-friendly Materials
- Renewable Energy Solutions
- Waste Reduction Technologies
- Recycling Processes
- Sustainable Manufacturing Practices

GREEN INNOVATION & TECHNOLOGY



MACHINERIES

MACHINERIES

Witness the latest in textile machinery and automation. This segment includes demonstrations of state-of-the-art equipment for spinning, weaving, knitting, sewing, and finishing. Learn how advanced machinery can increase efficiency, reduce costs, and improve product quality.

- Spinning Machines
- Weaving Machines
- Knitting Machines
- Sewing Machines
- Finishing Equipment

ACCESSORIES

Accessories are the finishing touches that make garments complete. This segment showcases a wide array of garment accessories, including buttons, zippers, labels, laces, and more. Meet suppliers offering the latest designs and materials to enhance the aesthetic and functionality of your products.

- Buttons & Zippers
- Labels & Tags
- Laces & Ribbons
- Trims & Embellishments
- Buckles & Fasteners

ACCESSORIES

Why Attend?

Networking Opportunities
Connect with industry leaders, suppliers, and buyers from Bangladesh and China.

Latest Innovations
Discover the newest technologies and trends shaping the future of textiles and garments.

Knowledge Sharing
Attend seminars and workshops led by industry experts.

Business Growth
Find new partners and opportunities to expand your business.

Event Highlights

Keynote Speeches
Hear from industry pioneers and thought leaders.

Live Demonstrations
Experience the latest technologies in action.

Workshops & Seminars
Gain insights from technical sessions and panel discussions.

Networking Events
Build lasting connections during our exclusive networking sessions.

Action Plan

Event Name	Bangladesh China Global Textile Expo (BCGTX) 2027
Detail	A Comprehensive Showcase on Man Made Textile, Yarn & Fabric, Green Innovation & Technology, Machineries, Accessories.
Date	08 - 10 April, 2027
Location	Dhaka, Bangladesh
Venue	International Convention City Bashundhara (ICCB)
Opening Hours	10:00 am to 7:00 pm

Official Website	www.savor-bcgtx.com

Exhibitors' Profile

- Manufacturers of synthetic fibers like polyester and nylon.
- Producers of recycled fibers and eco-friendly textiles.
- Suppliers of technical and industrial textiles.
- Providers of sustainable dyeing and finishing solutions.
- Innovators in biodegradable synthetic materials.
- Companies offering textile chemical solutions for man-made fibers.
- Textile recycling machinery manufacturers.
- Producers of natural and synthetic blended yams.
- Suppliers of high-performance and eco-certified fabrics.
- Exporters of denim and knitwear fabric.
- Manufacturers of digitally printed and custom fabrics.
- Producers of antimicrobial and odor-resistant yarms.
- Suppliers of specialty yarns like spandex and high-elasticity threads.
- Textile mills focused on sustainable production methods.
- Developers of green dyeing and water-saving textile technologies.
- Providers of energy-efficient textile manufacturing equipment.
- Innovators in circular economy solutions for textiles.
- Companies specializing in carbon-neutral textile production.
- Providers of blockchain and traceability solutions for sustainability.
- Textile Machinery OEMs (spinning, weaving, knitting, dyeing, finishing, packaging)
- Accessories & Trims (labels, zippers, buttons, elastics, interlinings)
- Yarn Spinners & Twisting Units.....and more

Visitors' Profile

- Buyers and importers of synthetic and performance textiles.
- Fashion designers and technical textile users.
- Procurement managers for garment and apparel brands.
- Textile testing and quality assurance professionals.
- Eco-conscious retailers and wholesalers.
- Researchers and academicians in textile innovation.
- Investors in sustainable textile ventures.
- Apparel manufacturers and exporters.
- Retailers sourcing eco-friendly fabric lines.
- Interior designers and home textile buyers.
- Yarn distributors and local craft promoters.
- Garment factory managers exploring new supply chains.
- Factory owners & directors.
- Production & maintenance engineers exploring machinery upgrades.
- Procurement managers sourcing new equipment & spare part.
- Importers, distributors & local agents for global OEMs.
- Project developers & investors planning mill expansion.
- Technical institutes & R&D centres.
- Garment & home textile manufacturers.
- Merchandising and sourcing teams.
- Buying houses & brand representatives.
- Procurement heads.
- Accessory distributors, importers & local suppliers.
- Designers & small entrepreneurs.
- Compliance officers sourcing eco-friendly, certified accessories.

10 KEY FEATURES OF BCGTX

01 Global Business Collaboration

Strengthening strategic partnerships between Bangladesh, China, and the global textile industry through innovation, trade, and investment.

02 Government & Embassy Support

Supported by government organizations, embassies, trade bodies, and leading industry associations to foster international business cooperation.

03 International Market Entry Platform

Helping global textile companies expand into Bangladesh while enabling Bangladeshi manufacturers to connect with international markets.

04 Market Access Sessions

Provide in-depth sessions on the regulatory landscape and market entry strategies.

05 Exclusive Business Networking

Provide dedicated B2B matchmaking sessions to connect exhibitors with potential buyers and partners.

06 Textile Industry Visits

Exclusive factory and industrial visits, offering international delegates firsthand insights into Bangladesh's world-class textile and apparel manufacturing sector.

07 Industry Knowledge Forum

Engage with global industry leaders, policymakers, technical experts, and academia through seminars, conferences, and knowledge-sharing sessions.

08 Exclusive Product Launches

New product lines and innovations will be unveiled exclusively at BCGTX.

09 Global Summit Collaboration

Following its successful association with Shanghai Climate Week 2025, BCGTX expands its international summit affiliations, reinforcing its role as a key hub for climate innovation, sustainable manufacturing, and bilateral green development.

10 Export Opportunities

Highlight export potentials for Bangladeshi and Chinese manufacturers.

About The Organizer

Savor International Limited is a leading event management company with a reputation for organizing high-profile international trade fairs and exhibitions. With a focus on fostering industry growth and collaboration, Savor International Limited brings together key players to create impactful networking and business opportunities.

About CEAB

The Chinese Enterprises Association in Bangladesh (CEAB), formerly the Chinese Chamber of Commerce in Bangladesh, is a non-profit organization established by Chinese enterprises in October 2004 and registered with Bangladesh's Ministry of Commerce in November 2019. Its mission is to enhance member relations, foster communication with Bangladeshi government and business communities, and promote economic cooperation between China and Bangladesh.
